Its core activity lies in assisting students to make the right choice with regards to pursuing education in the overseas education institutions. **VUIC** provides high level of information regarding higher education in various countries such as Australia, USA, UK, New Zealand, Canada, Ireland, Switzerland and Singapore and has a command over the education system across the globe.

VUIC supporting team is responsible for the admission process of students, consists of efficient of people sharing different responsibilities like Visa Assistance, preparing dispatching Application documents on time, regular follow-ups, timely delivery and overall co-ordination. Today we are proud to say that **VUIC** is a pioneer in the field of Overseas Education.

MANAGEMENT

VUIC has began its operations in January 1996, with consulting services to just one country i.e Australia. Later on it's extended the list to include more countries like UK, USA, Ireland, Switzerland, New Zealand, Canada and Singapore. And it has grown itself on genuine advice and prestigious representation and has always enjoyed a great rapport with the students and all other concerned Institutions. The Head office being in Hyderabad manages and runs rest of the offices in major cities at Andhra Pradesh, Maharashtra, Kerala, and Tamil Nadu.

The Managing Director (Mr.B.Vijay Bhasker Reddy) has visited Australia and other countries for several times to attend seminars & conferences, which are held by various Universities. The senior student counselors have also been to Australia and have acquired additional skills required from different University authorities to provide solutions towards the career objectives of the students willing to study in abroad.

WHY VUIC?

Established in 1996 to assist the large number of students wishing to migrate to a new country, but wanting to reduce the time, confusion and frustration so often associated with the application process, it provides training and consulting services to student enquiries, showing student the correct pathway to gain their certifications according to their field of knowledge or working experience.
